I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me untill I began using Electric Bitters, which did me more good than all the medicine I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. INITIAL CLERK-CARRIER EXAMINATION.

PARIS, KY., SEPT. 17, 1904.

The United States Civil Service Commission announces that on the date and at the place named above an examination will be held for the positions of clerk and carrier in the Postoffice Service.

From the eligibles resulting from this examination it is expected that the Postmaster General will select the carriers and substitute carriers who are to be appointed prior to the establishment of free delivery in this city. Selections from these eligibles may also be made for appointments to the positions of clerk and carrier after the establishment of free delivery.

This examination offers an opportunity to bright, energetic young persons to enter an interesting field of Government employment where the salaries compare most favorably with those paid in private employment.

The salary of letter carriers in all cities which contain a population of 75,000 or more is arranged in three classes: First class, \$1,000 per annum; second class, \$800 per annum; and third class, \$600 per annum. In cities containing less than 75,000 population there are two classes: Second class, \$850 per annum, and third class, \$600 per annum. Appointments of letter carriers are made to the class having the minimum rate of pay and promotions from the lower grades are made to the next higher grade at the expiration of one year's service, on certificate of the postmaster to the efficiency and faithfulness of the employee during the preceding year. A substitute letter carrier receives a compensation of \$1 per annum and the pro rata compensation of the carrier whose route he may be required to serve. A vacancy in the regular force of carriers must be filled by the promotion of the senior substitute. A substitute clerk is paid a rate of compensation not exceeding the compensation of the absent clerk or employee whose place he takes. The salaries of clerks at the postoffices vary according to the class of work to be performed and the size of the office, but range from \$400 to \$1,000 in the smaller offices to as high as \$1,700 per annum in the larger offices. All original appointments of clerks are made at the minimum salaries.

The examination will consist of the subjects mentioned below, weighted as indicated.

The Postoffice Department has stated that no person who is defective in any of the following named particulars will be appointed in the postal service: Deaf-mutes; hunchbacks; persons having defective hearing, sight, or speech; persons totally blind or blind in one eye; one-armed, one-handed, or one-legged persons, or those having crippled arms or legs; and those suffering from asthma, consumption, hernia, or any other physical defect or disease which would prevent a proper discharge of the duties of the position.

This examination is open to all citizens of the United States who comply with the requirements.

For application blank, full instructions, specimen examination questions, and information relative to the duties and salaries of the different positions, and the location of the examination room, application should be made to the secretary of the board of examiners at the postoffice.

Fine Bourbon County STOCK FARM FOR SALE.

As Administrator of G. G. White, deceased, and agent for his heirs, I will, at 11:30 o'clock a. m., on

Monday, September 5th, 1904,

offer at public sale, in front of the Court-House, in Paris, Ky., the fine Bourbon County farm known as the Gilt Edge Stock Farm, the property of the late G. G. White, situated on the Paris & North Middletown Turnpike, near the City limits of Paris, and containing 547 1/2 acres of land.

This is a No. 1 Bourbon County farm. It is all under cultivation except about 150 acres of virgin soil, which is heavily set in bluegrass, making splendid grazing and is unexcelled for tobacco. Plenty of stock water in dryest season. Has benefit of creek boundary, but no creek included in survey. No part of farm overflows. Creek line furnishes unfailing stock water and saves fencing.

The farm residence is one of the best in Bourbon County, being a large 2 1/2 story brick house, colonial in style, with front veranda supported by massive columns which rise to the eaves of the house. Rooms and halls spacious and well lighted. Cellars, large, light and dry. Interior finish largely in hard wood.

Two first class cisterns at residence, and all necessary outhouses.

Splendid stock barn with large number of box stalls, and good training track. Paddock with good stallion stables adjoining barn, and an inexhaustible artesian well at the barn door. Everything in fact for a first-class stock farm.

ALSO, A GOOD TWO-STORY FRAME RESIDENCE

of 6 rooms and front and back porches. The Paris Distillery Company has, for years past paid \$300.00 per year for privilege of pumping water from Stoner Creek, and \$300.00 per year for depositing offal from cattle pens in the natural basin near the Distillery. The purchaser can probably continue these privileges—either or both—indeinitely, adding \$600.00 to annual income from the farm.

This farm is well suited for the large handling of cattle because of proximity of distillery.

I will first offer the farm in two parts and then as a whole, reserving the right to accept or reject any bid.

Division No. 1 contains 271.93 acres, including the brick residence, stock barn, track, and all adjacent improvements, and fronts on the North Middle-town pike and extends back to Stoner Creek, and is bounded on one side by G. W. Wyatt, and on the other side by Division No. 2. This tract contains the natural basins in which the distillery deposits offal from cattle pens, paying \$300.00 annually for the privilege.

Division No. 2 contains 276.70 acres, bounded by the Distillery property on the North, by the Maysville railroad and Stoner Creek on the West, by Stoner Creek on the South, and by Division No. 1 and Stoner Creek on the East. The frame residence is on this tract, and the Distillery Company pays \$300.00 per annum for the privilege of pumping water over this tract from Stoner Creek—an income of \$300 per year without injury to the land.

The surveyor's field notes and plat of entire farm and of the above two Divisions may be seen at the Citizens Bank in Paris, Ky.

In event of the farm selling in the above two divisions the right to use the passway from Division No. 2 over the land of Mrs. Frank Fithian out to the Maysville pike, opposite the G. G. White Distillery, in East Paris, will be included in conveyance of Division No. 2.

Purchaser has privilege of seeding the coming Fall, and full possession given March 1, 1905.

TERMS.—One third cash on March 1, 1905, when deed is made; one-third March 1, 1906; one-third March 1, 1907—deferred payments to bear 6 per cent. interest from March 1, 1905.

The purchaser will not be required to give security for the deferred payments but will be required to give security for the first payment due March 1, 1905, and his notes without surety for the deferred payments, to secure which a lien will be reserved in the deed.

Purchaser may pay more than one-third of the purchase money if preferred.

For further information call on or address the undersigned in Paris, Ky.
